Re: Confirmation of submission of 2020 documents
Name of Association: Refuit Medical (Registered Association) 580660785

In accordance with the report that was received in our office on 26/12/2019, we are confirming that the Association Refuit Medical (Registered Association) submitted documents regarding the selection of institutions and all other required documents.

This document comprises part of the Income Tax Commissioner's required documents for the purpose of recognizing the institution according to Section 46 of the Income Tax Ordinance.

It will be noted that as long as a request will be submitted for a certificate of approval of proper management, the Association will be eligible to receive this certificate only at the conclusion of two years of operation, and this is after the receipt of financial statements and protocols according to the Registered Associations Law of 1980/5740, after examination of the request, and as long as no circumstances exist that would prevent the granting of this certificate.

This confirmation is valid from 02/02/2020 until 31/12/2020.

For your information – The Association was registered with the Registrar of Associations on 26/02/2018.

Clarification: This document is not a certificate of approval of proper management.

Sincerely,
Eyal Globus
